

## RESEARCH PROJECT WITH EXPAT SPOUSES IN WARSAW

**We would like to be even better career partners!** We've been receiving requests for support from expat spouses and prior to offering programs, we'd like to make sure we are doing it right!

Therefore, we'd like to **cooperate with an experienced psychologist / sociologist / researcher** (a background in HR is a plus) to:

- help us **prepare a questionnaire** for expat spouses on their (past) professional situation to understand what kind of support is really and actually needed to be able to identify their future career paths/options
- **conduct 20 interviews in English** (recorded, transcription will be outsourced)
- **deliver a well-written report with insights & program recommendations**

At the end, we'd expect this person to sit down with us for a **de-briefing session** to clarify or deepen selected aspects.

If you are interested in this collaboration project, please send your CV to [Maria.Bozek@CareerAngels.eu](mailto:Maria.Bozek@CareerAngels.eu).

**Remember to add the mandatory data protection clause at the end of your CV:**

*I agree that my personal data will be processed by Career Angels / Troaching Institute Bichl Sandra in order to recruit for the position I am applying for.*
